

**THE STEAMFITTERS' INDUSTRY PENSION FUND**  
**REPORT OF SUMMARY PLAN INFORMATION**  
**2022 Plan Year**

In accordance with ERISA §104(d), the Trustees of the Steamfitters' Industry Pension Fund are providing the following Report of Summary Plan Information to unions that represent Plan participants and employers obligated to contribute to the Plan.

Except as otherwise specified, all information in this Report pertains to the 2022 Plan Year.

**1. Contribution Schedule and Benefit Formula Information.**

The Plan is maintained pursuant to collective bargaining agreements between the Enterprise Association of Steam, Hot Water, Hydraulic, Sprinkler, Pneumatic Tube, Ice Machine, and General Pipe Fitters of New York and Vicinity, Local Union No. 638 of the United Association of Journeymen and Apprentices of the Plumbing and Pipe Fitting Industry of the United States and Canada ("Union") and the Mechanical Contractors Association of New York, Inc. and other employers.

Effective January 1, 2020, the journeymen contribution rate was \$12.85 per hour. Rates for apprentices are pro-rated based on the level they have achieved in the apprentice program. All rates are doubled for overtime.

A Participant shall be eligible to apply for and receive a Regular Pension commencing on the first of any month on or after which he has attained age 60 and completed 5 Years of Service. A Participant shall be eligible to apply for and receive an Early Pension commencing on the first of any month on or after which he has attained age 55 and completed 10 Years of Service. The pension shall be reduced by one-half of one percent (.5%) for each month or any fraction thereof by which the Participant's Annuity Starting Date precedes his 60th birthday.

Pension benefits are based on the accrual rate in effect when a Participant last worked in covered employment. The present formula, which became effective January 1, 2022, provides a benefit of \$41 per Year of Service for each Year of Service through 1983, \$130 per Year of Service for each Year of Service through 2021 and \$145 per Year of Service for each Year of Service during and after 2022.

In order to receive the \$41, \$130 or \$145 per Year of Service benefit, or any previous benefit level in effect at the time the Participant first retires, the Participant must have completed at least 1 Year of Service during the 3 calendar years immediately preceding the effective date of any benefit increase. However, for an otherwise eligible Participant who first applies for a pension after 1982, the benefit will be at least \$15 for each of his Years of Service. The amount of benefit will be reduced for certain early payments and for the joint and survivor payment options.
