

Steamfitters' Industry Welfare Fund

The Trustees, after careful deliberation, are pleased to announce a COVID-19 related modification for health coverage eligibility. All participants will be granted a one-time quarterly extension for either the Third Quarter of 2020, Fourth Quarter of 2020 or First Quarter of 2021 if your aggregate four-quarter hours review period falls between 700 and 1,000. This COVID-19 quarterly extension is supplementing the one-time career extension (if your aggregate four-quarter hours review period falls between 800 and 1,000) which remains in full force.

Please feel free to contact the Welfare Fund Department at (212) 465-8888, option 4 with any questions.
